

Voices from our Arizona Fellowship

SHARE YOUR STORY

AZCoDA.org, Arizona's Northern and Central Region CoDA website, is requesting submissions for members' personal CoDA recovery stories of experience, strength, and hope to share on the AZCoDA.org new blog page.

The blog will be an ongoing project that will continue accepting submissions for as long as AZCoDA.org maintains the blog. Please consider this an open and ongoing request for member stories.

The stories will be shared in both text and audio to include vision- and hearing-impaired members.

We look forward to creating a space together for the Arizona CoDA region to share their stories of experience, strength and hope.

For important guidance and helpful tips for writing and recording stories, click here for [COMPOSING](#), and here for [RECORDING](#).
